

Connecting Millions...

Where they Live, Work and Travel!

Crest Digital (An Altius group Company) is a leading 5G-ready Digital Connectivity Infrastructure Partner committed to Enable Connections for Life. **With 50%+ IBS share, covering 65% of metro stations, 58% of airports, 10 million+ daily touchpoints, Crest has cemented its presence across all 22 telecom circles.**

From metro stations and tunnels to corporate hubs, malls, hospitals, airports, residential complexes, hotels, universities and large establishments our solutions enhance network coverage and capacity across diverse sectors.

Our industry-leading **99.99% uptime** ensures seamless connectivity, keeping businesses, communities, and individuals connected wherever they live, work, and travel. **With trusted partnerships alongside Airtel, Jio, VI, and BSNL**, we are driving the evolution of digital connectivity and actively contributing to the Digital India initiative.
